6. Background

In terms of Section 34 of the Systems Act a municipality must review its Integrated Development Plan (IDP) on an annual basis. The review process started in August 2018 with inputs from councillors, ward committees and officials.

Discussion

This IDP review for 2019/20 was informed by the following:

- The municipality's performance attained for the 2017/18 financial year as well as the mid-year performance for 2018/19;
- Comments from the Minister of Local Government and other stakeholders on our 2018/19 IDP review; and
- Changing circumstances in the municipal area.

For the 2019/20 IDP review the strategic direction (Vision, Mission and Strategic objectives) of the current 5 year Integrated Development Plan (IDP) **remains unchanged.**

The 2019/20 IDP review document is structured into fourteen (14) Chapters.

The fourteen chapters are preceded with a synopsis of our strategic direction (Vision, Mission and Strategic objectives) that was reviewed with no amendments for this 2019/20 IDP review. The synopsis section also includes the forewords of the Executive Mayor and Municipal Manager that will be included in the final document of May 2019.

The key strategic priorities for this draft 2019/20 IDP review were presented to the Overstrand Municipal Advisory Forum (OMAF) on 28 February 2019.
