## The Administration

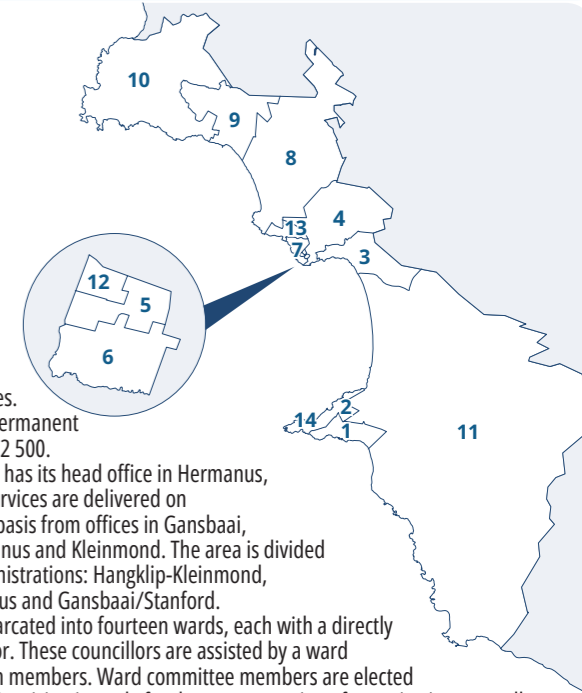

Municipal Manager  
Dr Dean O'Neill

A Municipal Manager is appointed by Council. He is the link between the council and the administration, of which he is the head, and also serves as accounting officer who has to account for the municipality's income and expenditure, assets and other obligations, such as proper adherence to the Municipal Finance Management Act. In terms of legislation, he should have the expertise and experience to discharge his duties. Subject to the municipality's policy guidelines, he ensures, amongst others, that an economic, effective, efficient and accountable administration is established and developed, that the IDP comes to fruition, that municipal services are delivered in a sustainable and balanced fashion, that a personnel corps is appointed, managed, developed and disciplined and that sound labour relations are maintained. He should facilitate participation by the community and develop a system whereby the community's satisfaction with municipal services can be gauged.

In Overstrand's case Dr O'Neill is supported in the above by a team of directors for the following:

- Infrastructure Services: Mr Stephen Müller;
- Financial Services: Vacant;
- Corporate Services: Mrs Desirée Arrison;
- Community Services: Mr Seon Swartz;
- Municipal Public Safety: Mr Neville Michaels and
- Planning & Development: Vacant

## Overstrand and its wards

The Municipal area of Overstrand covers a surface of almost 1708 square kilometres. The area has a permanent population of 132 500. The municipality has its head office in Hermanus, but municipal services are delivered on a decentralised basis from offices in Gansbaai, Stanford, Hermanus and Kleinmond. The area is divided into three administrations: Hangklip-Kleinmond, Greater Hermanus and Gansbaai/Stanford. The area is demarcated into fourteen wards, each with a directly elected councillor. These councillors are assisted by a ward committee of ten members. Ward committee members are elected democratically. Provision is made for the representation of organisations as well as individuals. Ward committees play an important role in the drafting and reviewing of the Integrated Development Plan and the identification of budget needs.

Overstrand's wards are as follows:

1. Stanford, Thembelihle
