

AANSOEK VIR TARIEF "FARMS"

Landbou eiendomme sal teen die "FARMS" tarief aangeslaan word, sodra bewyse ontvang word dat die eiendom gebruik word vir bona fide landbou doeleindes.

Bonafide landbou beteken die landbougrond word hoofsaaklik vir landboudoeleindes gebruik.

Overstrand Munisipaliteit vereis 'n verklaring van die eienaar/boer as bewyse van elke plaas/gedeelte waarvoor aansoek gedoen word. Elke gedeelte moet op 'n aparte aansoekvorm voltooi word.

Aansoekvorms moet slegs voltooi word indien die eiendom se tarief as RESO aangeslaan word.

Stuur asseblief die voltooide aansoekvorm aan enquiries@overstrand.gov.za of handig dit by u naaste Overstrand Administrasiekantore in. Alle aansoeke moet deur die Munisipaliteit ontvang word teen 20 Julie. Die goedgekeurde Belastingbeleid maak voorsiening vir laat aansoeke tot 30 September.

Kontak ons gerus indien u enige probleme ondervind met die invul van die aansoekvorm.

APPLICATION FOR TARIFF "FARMS"

Agricultural properties will be levied at the "FARMS" tariff, subject to the owner/farmer providing the Municipality with proof that the property is used for bona fide agricultural purposes.

Bona fide farming means the agricultural land is used primarily for agricultural purposes.

Overstrand Municipality requires a declaration from the owner/farmer as evidence of every farm/portion. Each portion should be on a separate application.

Application forms should only be completed if the property's rate is assessed as RESO.

Please send the completed application form to enquiries@overstrand.gov.za or hand it in to your nearest Overstrand Administration offices. All applications must be received at the Municipality by 20 July. The approved Rates Policy allows for late applications until 30 September.

Feel free to contact us if you have any problems completing the application form.
