

METER READINGS - Submit your own

COLLAB CITIZEN APP

Search for the green Collab Citizen icon in Google Play Store, Apple App Store as well as Huawei App Gallery and download today!

The Collab Citizen app allows users to log and track service requests, report faults, and receive notifications

METER READINGS

Use the app to submit your own!

To ensure accurate readings of water and electricity meters, you can submit your own readings (preferably on the same day every month) via the Collab Citizen app.

All we need is:

- your account/erf number and
- a clear photo of the meter reading.
